Showjumping, Equitation Clinics

Dressage arena 60x20

Jumping area

Safe and panoramic rides along lagoon, viewing of the wild horses of Kleinmond and onto the pristine beaches of Kleinmond

EVENTS AT THE EQUESTRIAN CENTRE ARABELLA

Show Jumping

We hold our own show jumping competitions every month. Visiting riders and horses as well as our own clients are encouraged to compete at these events. Spectators are of course welcome and there are good facilities for all visitors to the ECA.

LIVERY SERVICES

The ECA provides a superb range of livery services in excellent conditions.

Livery charges depend on the size of the horse and the type of livery to suit you. Some examples of our livery services are as follows:

Full Livery Stabled

Your horse is stabled in a stable at night. We care for your horse, feeding, mucking out etc. We will also worm your horse and arrange vaccinations and shoeing

Out Livery

Your horse lives out in the paddock at night. Should you require shavings in the paddock the price would be the same as a stabled horse. We care for your horse, feeding, etc. We will also worm your horse and arrange vaccinations and shoeing

Lease a horse "Part" Livery

We care for the leased horse, feeding, mucking out etc. We will also worm your horse and arrange vaccinations and shoeing.

DIY Livery

You rent a stable and you are responsible for every aspect of your horse. Hay and straw may be purchased from the ECA. Extra services are available - please contact us for our "Extras" price list.

Please note that on Sundays and Mondays and Public Holidays Extra services will be restricted to feeding and watering.

Owners will in all cases be responsible for payments for shoeing and veterinary fees.

Twenty four hour turnout is available for most of the year, but cannot be guaranteed in the event of adverse conditions.

All livery owners and any guests must comply with our safety rules including dress.

Please note that we can tailor your horse's livery to suit you and your pocket.
