JOHAN and his STAFF WELCOMES YOU AT THE BOATHOUSE RESTAURANT

E-MAIL: boathouse@sonicmail.co.za

- † Sit back, RELAX and enjoy the awesome view.
- † We don't make HURRY-UP or FAST FOODS. Please expect a waiting time of 30 – 40 minutes when we get busy during peak times.
- † Pizzas can take up to 45 minutes.
- † We do our best to stock all items on the menu, but we run an environmentally ethical restaurant and by this we will work with nature to supply you with fresh food. We may run out of items here and there and I do apologise for this in advance. We will substitute accordingly.
- † We are here to serve you and help you enjoy your meal. Please call a waiter or your Host if you need any assistance.
- † We are fully licensed and stock a variety of Spirits, Wines, Beer and Local Microbrew Beer.
- † Our Wine List is from specific wineries that produce good local wine. We may also run out here if everybody decides to have the same wine at the same time. We will offer you an alternative if this happens, but cant unfortunately match the price as we price our wines very reasonably.
- † Please inform your waiter of any allergies.
- † Boathouse is a Wi-Fi Hotspot. Please enquire for a Wi-Fi Voucher.
- † Please insist on a Proforma Invoice when paying for your Bill.
- † We serve fresh fish but watch out, there may be a few bones. We do our best to remove all the bones.
- † Price Changes. We will do our best to offer you value for money but with our current economic environment, we have to change accordingly.

We use Perlemoen Shells for 2 reasons: Severity of the poaching on our coast and a natural zero carbon footprint ashtray.
